

Hi Martina,

Just emailing you regarding the open child protection case with your children as the case worker, Gloria will not be back in the office until next week.

We are still seeking a copy of BuddyBoy's NDIA plan to determine who is providing his support & coordination. Can you please email me through a copy.

Who is the service provider that is managing his package?

This will assist in clarifying Child Protections role with your family

Kind Regards,

Rosamunde
